LETTER RE INTERVIEW

Sir:

Applicants wish to thank the Examiner for the courtesies extended in granting and conducting on January 23, 2004, a telephonic interview with Applicants' representative in the above-referenced application. The interview, which pertained to telephonic restriction, is detailed in an Interview Summary Record attached to the February 11, 2004 Notice of Allowance. MPEP 713.04. During the interview, the Examiner kindly explained that Claims 53 through 96 were subject to restriction (i.e., a two-way restriction between Group I (Claims 15, 16, and 26) and Group II (Claims 53 through 96), and the Examiner requested authorization to cancel the Group II claims (Claims 53 through 96) without prejudice as non-elected, which authorization was granted by Applicants' representative. Applicants respectfully wish to advise the Examiner that Applicants have presented the non-elected claims in a divisional application, Application No. 10/795,386 filed March 9, 2004, to which the Examiner's attention is respectfully directed.
